Want to be part of the program that your child attends?

We invite all parents from the CDC, YC and FCC to the quarterly Parent Advisory Board Meeting at Airman and Family Readiness Center, bldg 462.

The Board function in an advisory capacity, parent led, providing recommendations for improving services. Improves staff and parent communications. Increase parent's knowledge of developmentally appropriate practices in program activities. Increase parent participation and involvement in CYS activities.

We are always looking for a parent who would like to volunteer to be the chairperson. If you're interested please let us know.

If your not able to make it we would still like to hear from you through email or stopping by the directors office to share your inputs.

All activity managers have an open door policy, if you have a concern please don't wait to meet in this forum to address your concerns. We encourage you to address any concerns on the spot. So they are given an opportunity to address them in a timely manner.
